The attitude of the mun Council seems to be very perverse. Here is a private donor willing to build a musafir khana & the mun Council won't share the cost of a site for the purpose. The cost may be contributed by Govt out of the provision for Town Improvements.

Subject:-

Construction of a Musafirkhana adjacent to the Local Fund Dispensary at Holenarsipur:-

Sir,

In reply to your letter No.L.8181/L.B.38-27-8, dated the 15th May 1928, re: the acquisition of the land required for the construction of a Musafirkhana, I have the honour to state that the President, Holenarsipur Municipal Council who was requested to place the matter before the Council and move them to contribute the other half of acquisition charges, has submitted an extract from the proceedings of the meeting of the Council held on the 6th June 1928, wherein it is stated that in view of the fact that providing funds for such structures as the one in question is a 'discretionary' duty of the Municipality, under Sec.56(b) of the Municipal Regulation, and, owing to financial stringency, the Council regret that they can spare no money for the purpose.

I request you, therefore, to be so good as to obtain the sanction of Government for meeting one half of the cost of acquisition of the lands required for constructing the Musafirkhana

and

and communicate the same to me so that I may request the District Board to arrange for paying the other half and expedite the acquisition proceedings.

The extract from the proceedings of the meeting of the Municipal Council dated 6th June 1928, together with the report of the President of the Municipal Council, referred to above, is enclosed for kind perusal.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
